ARCHBISHOP'S ANNUAL APPEAL
ARCHDIOCESE OF NEWARK

"Thus says the Lord: Share your bread with the hungry, shelter the oppressed and the homeless."

-Isaiah 58:7

No matter how busy we are or how tight our budget might be, we are all called to have compassion for those who are less fortunate than us. We hear these instructions in both the Old and New Testament. In fact, Jesus tells us that we will be judged by how well we reach out to those who were hungry, thirsty, homeless, sick, grieving or in need of our compassion in any way.

Please share your blessings with those less fortunate by Contributing to the Archbishop's Annual Appeal. The funds raised through the Appeal support programs that feed the hungry and shelter the homeless. Thank you for your support.

Fifth Sunday in Ordinary Time

Jb 7:1-4, 6-7 • 1 Cor 9:16-19, 22-23 • Mk 1:29-39

Job speaks for all of us.

OK, well, most of us. Certainly anyone who's struggled with insomnia resonates with Job's being "filled with restlessness until dawn." But most of us share with Job the experiencing of suffering. Some people have suffered beyond comprehension; others have known only "regular" suffering—illness, death, disability, tragedy—although it's never regular when it happens to us. We've all felt the frightening despair of which Job speaks.

Some fortunate souls haven't experienced such challenges. During a talk I gave several years ago, I asked the audience to recall their own suffering. An older couple admitted they hadn't experienced significant suffering. Their children were healthy, their parents died at a ripe old age, and life had been fairly easy for them.

This isn't the experience of most of us, however. Even if we've moved past such moments of pain and suffering, we can recall feeling as Job did—that life was misery, that hope was difficult to find.

There certainly are no easy solutions to the problem of suffering. But in the Gospel today we see Jesus in his healing ministry, reaching out to so many in need. Aren't we, in our times of suffering, among the crowds gathered at Jesus' door, begging for healing and mercy?

Jesus is persistent in his healing—he doesn't let exhaustion or weariness stop him. He reaches out, grasps hands, and is present to those who are hurting.

Jesus is this persistent presence of healing to us too. He sees us in the crowd, he grasps our hand, and he promises to stay with us always.

LETTER FROM ARCHDIOCESE OF NEWARK
OFFICE OF THE ARCHBISHOP

Dear Brothers and Sisters in Christ:

I write to you concerning an alarming and serious matter that negatively impacts the Church in the United States directly, and that strikes at the fundamental right to religious liberty for all citizens of any faith. The federal government, which claims to be "of, by, and for the people," has just dealt a heavy blow to almost a quarter of those people -the Catholic population-and to the millions more who are served by the Catholic faithful.

The U.S. Department of Health and Human Services announced last week that almost all employers, *including Catholic employers*, will be *forced* to offer their employees' health coverage that includes sterilization, abortion-inducing drugs, and contraception. Almost all health insurers will be *forced* to include those "services" in the health policies they write. And almost all individuals will be *forced* to buy that coverage as a part of their policies.

In so ruling, the Administration has cast aside the First Amendment to the Constitution of the United States, denying to Catholics our Nation's first and most fundamental freedom, that of religious liberty. And as a result, unless the rule is overturned, we Catholics will be compelled either to violate our consciences, or to drop health coverage for our employees (and suffer the penalties for doing so). The Administration's sole concession was to give our institutions one year to comply.

We cannot-we will not--comply with this unjust law. People of faith cannot be made second class citizens. We are already joined by our brothers and sisters of all faiths and many others of good will in this important effort to regain our religious freedom. Our parents and grandparents did not come to these shores to help build America's cities and towns, its infrastructure and institutions, its enterprise and culture, only to have their posterity stripped of their God given rights. In generations past, the Church has always been able to count on the faithful to stand up and protect her sacred rights and duties. I hope and trust she can count on this generation of Catholics to do the same. Our children and grandchildren deserve nothing less.

And therefore, I would ask of you two things. First, as a community of faith we must commit ourselves to prayer and fasting that wisdom and justice may prevail, and religious liberty may be restored. Without God, we can do nothing; with God, nothing is impossible. Second, I would also recommend visiting www.usccb.org/conscience, to learn more about this severe assault on religious liberty, and how to contact Congress in support of legislation that would reverse the Administration's decision.

With kindest personal regards, I am
Sincerely in the Lord,
Most Reverend John J. Myers
Archbishop of Newark
